

**ENERGY SECRETARIAT  
NOTIFICATION**

**No: EN 71 EBS 2007, Bangalore, Date: 28<sup>th</sup> August 2008**

In exercise of the powers conferred by sub-rule (2) (a) of Rule 7 and Rule 46 of the Indian Electricity Rules 1956 and in accordance with Indian Electricity Act 2003, Government of Karnataka hereby supersedes the Notification No. DE 20 EBS 2000 dated 8.4.2002 and

1. directs that the fees for testing and inspection and generally for the services of Inspectors or any officers appointed to assist the Inspector are as notified below:
2. determines the periodicity of intervals at which the inspection and testing of Electrical installations shall be carried out by Inspector or any officers appointed to assist the Inspector, or by supplier and the fee to be charged for such periodical inspection and testing as notified below:

This notification shall come into force from the date of their publication in the Official Gazette.

**I. INITIAL INSPECTIONS:**

Initial Inspections, examinations, or tests of installation where energy is generated, transmitted, received, distributed, or used at a rate exceeding two hundred and fifty watts & one hundred volts shall be made under the provisions of the Indian Electricity Rules 1956, Electricity Act 2003 and any applicable rules & regulations made there under.

**II. PERIODICAL INSPECTION, TEST etc**

Periodical inspections, examinations, or tests of installation where energy is generated, transmitted, received, distributed, or used at a rate exceeding two hundred and fifty watts & one hundred volts shall be made under the provisions of the Indian Electricity Rules 1956, Electricity Act 2003 and any applicable rules & regulations made there under.

**Periodicity of inspections shall be as here under:**

Sl. No.	Particulars	Periodicity
1.	All installations of KPCL, KPTCL, Govt. Owned Electricity Supply Companies (ESCOMS) & Hukkeri Co-operative Society	Once in 5 years.
2.	EHV and HV installations of private consumers	Once in a year.
3	All IPP, Private generating sets and allied equipments and installations connected thereto belonging to non licencees and others.	Once in a year.
4	M.S. Building of all consumers	Once in a year.
5	X-rays, Neon sign and other High voltage equipment installations of all consumers	Once in a year.
6	M.V. installations	Once in five years.

**NOTE:**

- 1) The installations in mines, oil fields, Railways and those belonging to Govt. of India and Govt. of India undertaking are excluded from the purview of the inspections by State Govt. Inspectors.
- 2) The periodical inspection of Low voltage installations will be done by the concerned suppliers or ESCOM or Licensee once in Five years and the fee of Rupees Fifty only thereon for each such installation shall be paid by the consumer to the concerned suppliers or ESCOM or Licensee .

### III. SCHEDULE OF FEES FOR THE INSPECTIONS, TEST'S & OTHER SERVICES RENDERED BY THE DEPARTMENT OF ELECTRICAL INSPECTORATE:

#### 1. DEFINITION:

All the meanings and definitions defined in the Indian Electricity Rules 1956, Electricity Act 2003 and any applicable rules & regulations made there under shall be applicable.

#### 2. LEVY OF FEES:

- (1) Fee for initial inspection, examination, or tests of installation made under the provisions of the Indian Electricity Rules 1956, Electricity Act 2003 and any applicable rules & regulations made there under, shall be levied in accordance with the rates prescribed and collected from the persons mentioned in scales A to H in the Schedule there to: Provided that, where, in the opinion of the Inspector, a second or subsequent inspection, examination or tests of installation is necessitated by the neglect or failure to complete the electrical works or on account of non compliance of the orders of the inspecting Officer or on account of breach of any Act or Rule or regulation, the fee for such second inspection, re-inspection, examination or tests shall be 50% of the fee prescribed against such class of consumer / installation detailed in the scales.

Provided further that if an extension or an alteration to the installation is made since the date of last initial or periodical inspection, examinations, or tests of installation necessitates another inspection, test or examination of the installation separate applicable fee shall be levied for such extension or alteration in accordance with the rates prescribed and collected from the persons mentioned in the said scales.

- (2) Fee for the periodical inspection, examination, or tests of installation, other than those detailed under Sl. No (5) below, made under the provisions of the Indian Electricity Rules 1956, Electricity Act 2003 and any applicable rules & regulations made there under, shall be levied in accordance with the rates prescribed for the same and collected from the persons mentioned in scales I to O in the Schedule there to: Provided that, where in the opinion of the Inspector, a second or subsequent inspection, examination or tests of installation is necessitated by the neglect or failure to complete the electrical works or on account of non compliance of the orders of the inspecting Officer or on account of breach of any Act or Rule or regulation, the fee for such second inspection, re-inspection, examination or tests shall be 50% of the fee prescribed against such class of consumer / installation detailed in the scales.

- (3) Fee for the services of an inspector requested by the consumer or by a member of the public shall be levied in accordance with the rates prescribed in scales P to ZA in the Schedule thereto.

- (4) Fee for inspection of Lifts & Escalators, and Cinemas & Video installation shall be levied in accordance with the rates prescribed in scales ZB & ZC respectively in the Schedule thereto. These installations shall be treated as independent installations for the purpose of inspection.

- (5) Fee for periodical inspection, examination, or tests of installation belonging to Govt. Owned Electricity Supply Companies (ESCOMS), KPTCL, KPCL, & Hukkeri Co-operative Society shall be levied in accordance with the rates prescribed for the same and collected as per the scale ZD in the Schedule there to: Provided that, where in the opinion of the Inspector, a second or subsequent inspection, examination or tests of installation is necessitated by the neglect or failure to complete the electrical works or on account of

non compliance of the orders of the inspecting Officer or on account of breach of any Act or Rule or regulation, the fee for such second inspection, re-inspection, examination or tests shall be 50% of the fee prescribed in the scale.

- (6) Inspection & certification of installations for the purpose of visit of VVIP's are **exempted from the levy of inspection fee.**

**NOTE:** For the purposes of levy of inspection fees KVAR rating shall be treated as KVA & wherever necessitates power factor shall be taken as 0.8.

#### IV. REMITTANCE OF FEE:

- The fees prescribed may be remitted prior to or at the time of inspection, examination, or test and in any case within ten days from the date of such inspection, examination or test into any Government Treasury of the State or the Reserve Bank of India or at the concerned office of the Inspecting Officer under the applicable Budget head notified below and the original challan or receipt shall be forwarded to the concerned officer forthwith:
- Any amount due to the Govt., in excess of the demand already made shall be remitted within ten days from the date of receipt for the same.

#### NON-PLAN 0043: TAXES AND DUTIES ON ELECTRICITY:

1.	Electricity Tax on consumption or sale of Electricity.	0043-00-101-0-01
2.	Fee for inspection of electrical installation.	0043-00-102-0-01
3.	Fee for the inspection of cinemas	0043-00-103-0-01
4.	Fee for fresh or renewal of Electrical Contractor Licences /supervisor or wiremen Permits	0043-00-800-0-01
5.	Fee for the inspection of Lifts, Escalators, etc.	0043-00-800-0-02
6.	Others	0043-00-800-0-03
7.	Fee collected for the Examination under licensing Rules and Cinema Operator Rules	0043-00-800-0-06

By order and in the name of the Governor of Karnataka

**SUJATHAMMA**

Desk Officer (Electrical),

Energy Department

#### SCHEDULE

##### I. FEES FOR INITIAL INSPECTIONS:

##### SCALE 'A'

For an inspection or test of any generating station, receiving station or other place in which energy is generated, transmitted, received or distributed at a rate exceeding two hundred and fifty watts & one hundred volts.

Sl.No	Capacity	Fees in Rs
1.	Domestic lighting installations in residential premises with 10 KW and below	100/-
2.	For cases other than mentioned in item (1) above:-	
a	Up to and including 10 KVA	600/-.
b	Above 10 KVA Up to and including 100 KVA	800/-.

c	Above 100 KVA Up to and including 500 KVA	1200/-.
d	Above 500 KVA Up to and including 1000 KVA	2400/-
e(i)	Above 1000 KVA Up to and including 5000 KVA	5000/-
e(ii)	For every additional 1000 KVA or part thereof in excess of 5000 KVA	an additional fee of Rs.500/- per 1000 KVA shall be levied in excess of e(i) above.

**NOTE:**

1. In the case of generating station or other place in which energy is generated, the fee shall be paid by the supplier or the person generating energy. In the case of a receiving station, the fee shall be paid by the owner.
2. The fee shall be levied separately for individual equipment.
3. Equipment means Capacitor Bank in outdoor substation, Generators, Power / Distribution / Furnace / Unit Ratio Transformer (Excluding Welding & Instrument transformers)

**SCALE 'B'**

a) For an inspection, examination or test made in pursuance of Rule 50 to 70 of I E Rules 1956 or under any applicable rules & regulations made under Electricity Act 2003, where energy is or is about to be supplied or used at Extra high, high and medium voltage except in the cases to which scales 'A', & 'C' to 'H' of this Schedule specifically refer.

Sl. No.	Capacity	Fees in Rs
1	Up to & including 5KW	200/
2	Above 5 KW Up to & including 50 KW	300/
3	Above 50 KW Up to & including 100 KW	1000/
4	Above 100 KW Up to & including 500 KW	1500/
5	Above 500 KW Up to & including 1000 KW	2000/
6(i)	Above 1000 KW Up to & including 5000 KW	5000/
6(ii)	For every additional 1000 KW or part thereof in excess of 5000 KW,	an additional fee of Rs.500/- per 1000 KW shall be levied in excess of (6)(i) above.

b) For inspection of Multi-Storeyed building (More than Fifteen meters in height from ground level to roof level) in pursuance of Rule 50 A of I E Rules 1956 or under any applicable rules & regulations made under Electricity Act 2003.

Sl. No.	Capacity	Fees in Rs.
1	For Multi-storeyed Building up to six floors including basement and ground floor (for each block of a building)	3500/
2)	For multi-storeyed building more than six floors including basement and ground floor (for each block of a building)	4750/
3)	For any addition or alteration to the M S Building	3000/

**NOTE (for both a & b):**

- 1) The fee shall be paid by the owner to whom energy is or is about to be supplied.
- 2) Separate fee shall be levied for inspection of X-rays Neon Sign, Lifts, substation and stand by generators according to the respective scale of fees.
- 3) The fee is inclusive of connected switchgear and cables.
- 4) For H V Motor load, fees shall be levied separately for individual equipment,
- 5) For M V load (i.e. Motor, welding transformer etc) fees shall be levied on the total connected load on each MCC of every transformer or Generator.

**SCALE 'C'**

Fee for an inspection, examination or test of any electrical installation, appliance or apparatus (other than a generating station or a receiving station for which a separate fee will be charged under Scale 'A' in a factory within the meaning of the Factories Act (XXIII) of 1948) to which energy is supplied by the ESCOMS or Licensee or in which energy is generated.

Sl. No.	Capacity	Fees in Rs.
1)	For power	Fees as per Scale 'B' shall be levied.
2)	For lighting or for purposes other than power (provided no fees under this item shall be charged in respect of an electric installation appliance or apparatus in any factory where not more than twenty workers are employed)	Rs 50/ per KW or part there of subject to a Maximum of Rs.500

**NOTE:**

1. In any factory to which energy is supplied by a licensee or in which energy is generated both for lighting and for power. Separate fee under Clause (i) and (ii) should be charged.
2. The fee shall be paid by the owner.

**SCALE 'D'**

For an inspection or of examination of service line & connected metering apparatus on consumer premises in pursuance of Rules 30 & 31 of I E Rules 1956 or under any applicable rules & regulations made under Electricity Act 2003.

Sl. No.	Capacity	Fees in Rs.
1)	Low or medium voltage service line	240/-
2)	High or extra high voltage service line	600/

**NOTE:** The fee shall be paid by the licensee or the supplier.

**SCALE 'E'**

For inspection of Neon Sign and X-ray installations in pursuance of Rule 71 & 73 of I E Rules 1956 or under any applicable rules & regulations made under Electricity Act 2003.

Sl. No.	Particulars	Fees in Rs.
1)	Neon Sign	Rs.500/-per equipment.
2)	X-ray / C T Scan etc similar equipment	Rs.750/-per equipment

**NOTE:**

- 1) The fee shall be paid by the owner to whom energy is or is about to be supplied.

2) Separate fee shall be levied for Lifts, sub station and stand by generators according to the respective scale of fees.

3) The fee is inclusive of Connected switch gear and cables .

#### SCALE 'F'

For inspection of one aerial line crossing the other aerial line in pursuance of Rule 87 of I E Rules 1956 or under any applicable rules & regulations made under Electricity Act 2003.

Sl. No.	Particulars	Fees in Rs.
1	For an inspection examination of every new aerial line including a service line crossing either above or below a telegraph, telephone or other aerial line	
	a) For inspection of First crossing	240/-
	b) For inspection of every additional crossing	100/-

#### NOTE:

1. The fees shall be paid by the persons whose line was last erected.

#### SCALE 'G'

For inspection of Over head line or cable in pursuance of Rule 39, 66, 77 to 81 & 85 of I E Rules 1956 or under any applicable rules & regulations made under Electricity Act 2003.

Sl. No.	Particulars	Fees in Rs.
1.	For an inspection, or examination of an extra high voltage line and cable	Rs.500/- per KM or part thereof subject to a minimum of Rs. 2500/-
2.	For an inspection or examination of high voltage line or cable	Rs.100/- per KM or part thereof subject to a minimum of Rs.1000/-
3.	For an inspection, or examination of medium or low voltage serial distribution main or cable	Rs.100/- per KM or part thereof subject to a minimum of Rs.500/-

#### NOTE:

1. The fee shall be paid by the supplier or owner.

#### SCALE 'H'

For inspection or examination of switch gear.

Sl. No.	Particulars	Fees in Rs.
1)	For low or medium voltage	200/-
2)	For high	600/-
3)	Extra high voltage	1200/-

#### NOTE:

- 1) The fee shall be paid by the supplier or owner or occupier
- 2) Switch Gear includes Fuses, Isolators, circuit breakers, Lightning conductors, Protection C.T & P.T. along with connected control cables & jumps.

- 3) If more than one switchgear of the same class of voltage is connected either to primary or secondary side of a transformer or to a generator all the switchgears at each side shall be considered as single for the purpose of calculation of fees.

## II. FEES FOR PERIODICAL INSPECTIONS:

### SCALE ' I '

For an inspection or test of any generating station, receiving station or other place in which energy is generated, transmitted, received or distributed at a rate exceeding two hundred and fifty watts & one hundred volts.

Sl. No.	Capacity	Fees in Rs.
1.	Domestic lighting installations in residential premises with 10 KW and below	100/-
2.	For cases other than mentioned in item (1) above:-	
a	Up to and including 10 KVA	200/
b	Above 10 KVA Up to and including 100 KVA	300/
c	Above 100 KVA Up to and including 500 KVA	700/
d	Above 500 KVA Up to and including 1000 KVA	1800/
e(i)	Above 1000 KVA Up to and including 5000 KVA	5000/
e(ii)	For every additional 1000 KVA or part thereof in excess of 5000 KVA	an additional fee of Rs.500/- per 1000 KVA shall be levied in excess of e(i)

#### NOTE:

1. In the case of generating station or other place in which energy is generated, the fee shall be paid by the person generating energy. In the case of a receiving station, the fee shall be paid by the owner.
2. The fee shall be levied separately for individual equipment.
3. Equipment means Capacitor Bank in outdoor substation, Generators, Power / Distribution /Furnace /Unit Ratio Transformer,(Excluding Welding & Instrument transformer )

### SCALE "J"

a) For an inspection, examination or test of installation made when energy is used at Extra high, high and medium voltage except in the cases to which scales 'I', & 'K' to 'O' of this Schedule specifically refer:

Sl. No.	Capacity	Fees in Rs.
1	Up to & including 5KW	200/-
2	Above 5 KW Up to & including 50 KW	300/-
3	Above 50 KW Up to & including 100`KW	1000/-
4	Above 100 KW Up to & including 500 KW	1500/-
5	Above 500 KW Up to & including 1000 KW	2000/-
6(i)	Above 1000 KW Up to & including 5000 KW	5000/-

6(ii)	For every additional 1000 KW or part thereof in excess of 5000 KW,	an additional fee of Rs.500/- per 1000 KW shall be levied in excess of (6)(i)
-------	--	---

b) For inspection of Multi-Storeyed building ( More than Fifteen meters in height from ground level to Roof level) .

Sl. No.	Capacity	Fees in Rs.
1)	i) Multi-storeyed Building up to six floors including basement and ground floor(for each block of a building)	700/-
2)	ii) Multi-storeyed Building having more than six floors including basement and ground floors. (for each block of a building)	3000/-

**NOTE(for both a & b):**

- 1) The fee shall be paid by the owner to whom energy is supplied or occupier.
- 2) Separate fee shall be levied for inspection of X –rays Neon Sign, Lifts, substation and stand by generators according to the respective scale of fees.
- 3) The fee is inclusive of connected switch gear and cables.
- 4) For H V Motor load, fees shall be levied separately for individual equipment,
- 5) For M V load (i.e. Motor, Welding transformer etc) fees shall be levied on the total connected load on each PCC of every transformer or Generator.

**SCALE 'K'**

For inspection of Neon Sign & X – ray equipment

Sl. No.	Particulars	Fees in Rs.
1)	Neon Sign	Rs.300/-per equipment
2)	X-ray / C T Scan etc similar equipment	Rs.500/-per equipment

**NOTE:**

- 1) The fee shall be paid by the owner to whom energy is or is about to be supplied.
- 2) Separate fee shall be levied for Lifts, sub station and stand by generators according to the respective scale of fees.
- 3) The fee is inclusive of connected switch gear and cables.

**SCALE 'L'**

For an inspection, examination or test of any electrical installation, appliance or apparatus (other than a generating station or a receiving station for which a separate fee will be charged under Scale ' I ') in a factory within the meaning of the Factories Act 1948 to which energy is supplied by the ESCOMS or Licensee or in which energy is generated.

Sl. No.	Particulars	Fees in Rs.
1)	For power	Fees as per Scale 'J' shall be levied
2)	For lighting or for purposes other than power (Provided no fees under this item shall be changed in respect of an electric installation appliance or apparatus in any factory where not more than twenty workers are employed.)	Rs.50/- per KW or part thereof subject to a Maximum of Rs.500/-

**NOTE:**

1. In any factory to which energy is supplied by a licensee or in which energy is generated both for lighting and for power, separate fee under Clause (i) and (ii) shall be charged.
2. The fee shall be paid by the owner or consumer.

**SCALE 'M'**

Fee for inspection or examination of service line & connected metering apparatus on consumer premises.

Sl. No.	Particulars	Fees in Rs.
1)	A low or medium voltage service line	100/-
2)	For high or Extra high voltage service line	600/-

**NOTE:**

The fee shall be paid by the licensee or the supplier.

**SCALE 'N'**

Fee for inspection or examination of overhead line or cable:

Sl. No.	Particulars	Fees in Rs.
1)	For inspection or examination of an extra high voltage line or cable	Rs.300/- per KM or part there of subject to a minimum of Rs.1200/-
2)	For an inspection or examination of a high voltage line or UG cable	Rs.100/ per KM or part there of subject to a minimum of Rs. 500/-
3)	For inspection or examination of medium or low voltage aerial distribution line or cable	Rs.50/- per KM or part there of subject to a minimum of Rs.200/-

**NOTE:**

The fee shall be paid by the owner or consumer or occupier.

**SCALE 'O'**

Fee for the inspection or examination of switch gear:

Sl. No.	Capacity	Fees in Rs.
1)	Low or medium voltage	200/-
2)	High voltage	600/-
3)	Extra high voltage	1200/-

**NOTE:**

1. The fee shall be paid by the owner or consumer or occupier.
2. Switch Gear includes Fuses, Isolators, Circuit breakers, Lightning conductors, Protection C.T & P.T. along with connected control cables & jumps.

3. If more than one switchgear of the same class of voltage is connected either to primary or secondary side of a transformer or to a generator all the switchgears at each side shall be considered as single for the purpose of calculation of fees.

### III FEES TO OTHER SERVICES OF THE INSPECTORATE

#### SCALE 'P'

Sl. No.	Particulars	Fees in Rs.
1)	For an inspection of O H line and for issue of a Clearance Certificate under Rule 77,79,80,82,&83 of I E Rules 1956 or under any rules & regulations made under Electricity Act 2003 after due measurement.	350/-

**NOTE:**

The fee shall be paid by the person who proposes either to erect a new building or structure or to make any temporary addition or alteration in or upon any building or structure.

#### SCALE 'Q'

Sl. No.	Particulars	Fees in Rs.
1)	For an inspection or examination of any electric traction system including trolley wires and over head equipments and test of bending and package currents.	Rs.500/ per day or part thereof.

**NOTE:**

The fee shall be paid by the licensee or the owner of the electric traction system as the case may be.

#### SCALE 'R'

Fee for testing energy meters & connected C T & P T.

Sl. No.	Particulars	Fees in Rs.
1)	For testing a single energy meter of any description in the laboratory:	
	a) With out CT & PT	125/-
	b) With CT & PT.	250/-
2)	If a meter is to be tested on the consumers premises	
	a) With out CT & PT	1000/-
	b) With CT & PT.	5000/-

**NOTE:** The fee shall be paid by the person or agency or firm or any other body at whose request the test is conducted.

#### SCALE 'S'

Fee for the inspection or examination or test of voltage within the consumer premises at the request of the consumer of the licensee and issue of a Certificate.

Sl. No.	Capacity	Fees in Rs.
1.	Low voltage and medium voltage	120/-
2.	High voltage	240/-

**NOTE:**

1. For an inspection and examination or test of voltage and reading voltage for a duration of 24 hours as above Rs.50/- in addition to the amount charged for each item above.

2. The fee shall be paid by the consumer in the first instance but the Electrical Inspector shall decide as to who should pay the fee when reported as dispute between the consumer and the supplier.

**SCALE 'T'**

Sl. No.	Particulars	Fees in Rs.
1.	Fee for an inspection examination or test of any main or distributing main or service line for the existence of leakage therein which may result in electrolysis to other pipe or to any appliance connected with.	Rs.240 for the first hour and thereafter Rs.50/- per hour or thereof.

**NOTE:**

1. If any leakage is discovered in any street main, distributing main or service line, the fee shall be paid by the licensee or the owner of the main or service line as the case may be.
2. If a leakage is discovered, the fee shall be paid by the owner of the water, gas or other pipe or of the appliance connected therewith.

**SCALE 'U'**

Sl. No.	Particulars	Fees in Rs.
1	Fee for testing an installation for the existence of leakage to earth.	240/-

**NOTE**

The fee shall be paid by the applicant.

**SCALE 'V'**

Sl. No.	Particulars	Fees in Rs.
1	For the localizing of leakage to earth in any installation	Rs.240/- for the first hour or part thereof and thereafter Rs.50/- per hour or part thereof.

**NOTE:** The fee shall be paid by the applicant.

**SCALE 'W'**

Fee for witnessing testing of a single energy meter along with connected CT & PT

Sl. No.	Capacity	Fees in Rs.
1	Single Phase L V installation	300/-
2	Three Phase M V installation	500/-
3	H V Installation	1000/-
4	E H V installation	3000/-

**NOTE:** The fee shall be paid by the applicant.

**SCALE 'X'**

Fee for testing of earth electrode.

Sl. No.	Particulars	Fees in Rs.
1.	Fee for testing of Earth Electrode	Rs.50/- per earth electrode

**NOTE:** The fee shall be paid by the applicant.

**SCALE 'Y'****INSPECTION OF TEMPORARY INSTALLATIONS :**

1. For inspection & to issue Electrical Fitness Certificate to Amusements, Circus, Jatra, Yakshagana, Fair, etc

Sl. No.	Capacity	Fees in Rs.
1	Up to & including 5KW	300/-
2	Above 5 KW Up to & including 50 KW	500/-
3	Above 50 KW Up to & including 100 KW	600/-
4	Above 100 KW Up to & including 500 KW	1200/-
5	Above 500 KW Up to & including 1000 KW	2400/-
6(i)	Above 1000 KW Up to & including 5000 KW	3000/-
6(ii)	For every additional 1000 KW or part thereof in excess of 5000 KW,	an additional fee of Rs.500/- per 1000 KW shall be levied in excess of (6)(i)

**NOTE:**

- 1) The fee shall be paid by the applicant or owner to whom energy is or is about to be supplied.
- 2) Separate fee shall be levied for Lifts, sub station and stand by generators according to the respective scale of fees.
- 3) The fee is inclusive of connected switch gear and cables.

**SCALE 'Z'**

Fee for scrutiny and approval of drawings detailing method of construction of the following types of installations.

Sl. No.	Capacity	Fees in Rs.
1)	Drawing of Generating sets:	
	(a) up to & including 100 KVA	250/
	(b) Above 100 KVA up to & including 1000 KVA	600/
	(c) Above 1000 KVA up to & including 5000 KVA	2000/
	(d) Above 5000 KVA	2500/-
2)	Drawing of Transformer Centres and HT installations	
	a) Up to & including 100 KVA	500/-
	b) Above 100 KVA up to & including 1000 KVA	1000/-
	c) Above 1000 KVA up to & including 5000 KVA	2000/-
	d) Above 5000 KVA	3000/-
3)	a) M.S. Building up to & including 6 floors including basement and ground floor	2000/-
	b) M.S. Building having more than 6 floors including basement and ground floor	3000/-
4)	Medium pressure and low voltage consumer installation	200/-
5)	Addition and alterations to the load of the existing installations:	

	a) Up to and including 100 KW	500/-
	b) Above 100 KW up to & including 1000 KW	1000/-
	c) Above 1000 KW up to & including 5000 KW	1500/-
	d) Above 5000 KW	2000/-
6)	Cinema theatres / auditorium	1000/-
7)	Lifts / Escalators, etc	500/-
8)	Others (Other than drawings detailed under 1 to 7 above)	1000/-

**SCALE 'ZA'**

Issue of Electrical Certificate of any electrical installation at the request of any supplier or consumer not falling within the purview of the above scales and certification of testing equipments of Testing Agencies:

Sl. No.	Particulars	Fees in Rs.
1)	For Low voltage installations	240/-
2)	For Medium voltage installations	350/-
3)	For High or Extra High voltage installations	700/-
4)	For certification of Testing Equipments of Testing Agencies	1000/-

NOTE; The fee shall be paid by the applicant.

**SCALE 'ZB'****INSPECTION FEE FOR LIFTS , ESCALATORS , etc**

Sl. No.	Particulars	Fees in Rs.
1)	Initial inspection of Lifts	2000/-
2)	Periodical inspection of Lifts	1000/-
3)	Initial & Periodical inspection of Escalators etc	2500/-

**SCALE 'ZC'****INSPECTION FEE FOR CINEMAS AND VIDEOS (BOTH INITIAL AND PERIODICAL)**

Sl. NO	Particulars	Fees in Rs.
1)	Permanent theatres AND Multiplex Cinema per screen	2000/-
2)	Semi-permanent theatres	1500/-
3)	Touring / Temporary cinemas/Video	500/-

**SCALE 'ZD'****PERIODICAL INSPECTION FEES FOR THE GOVT., OWNED ELECTRICITY SUPPLY COMPANIES (ESCOMS), KPTCL, KPCL, & HUKKERI CO OPERATIVE SOCIETY INSTALLATIONS****1. TRANSFORMERS AND GENERATORS:**

Sl. No.	Capacity	Fees in Rs.
1	Up to 100 KVA	450/-
2	Above 100 KVA Up to and including 500 KVA	1000/-

3	Above 500 KVA Up to and including 1000 KVA	1800/-
4	Above 1000 KVA for every additional 1000 KVA or part thereof in excess of 1000 KVA	An additional fee of Rs.120/- per 1000 KVA shall be levied in excess of "3" above

**NOTE:**

1. The fee shall be levied separately for individual equipment.

2 Equipment means Capacitor Bank in outdoor substation, Generators, Power / Distribution /Unit Ratio Transformer.

**2.SWITCH GEARS:**

Sl. No.	Particulars	Fees in Rs.
1	For Low/ Medium voltage	180/-
2	For High voltage	550/-
3	For Extra High voltage	1200/-
